

Dr. Master's Department, 12 Am 1838.
Republic of Texas.

I certify that I employed Dick
Turner & Marley (as a citizen) to take charge
of the public horses at the City of Houston on
the 5th day of October 1838 and that he has
attended to that duty faithfully and satisfactorily
in sixty days for which service I agreed to
pay him two ⁵⁰ dollars per claim.
